One winner's name will be drawn with the opportunity to win a VW Golf or a consolation prize to the value of \$3000.

The first prize of the VW Golf is covered by an insurance policy up to the value of \$25,000. There are two outcomes possible with this item.

1. If the raffle winner correctly selects the envelope with the car prize – they will win the item as outlined. The insurer will then reimburse Lennox Motors the value of the policy \$25,000
2. If the raffle winner selects any of the other 99 envelopes – they receive the consolation prize to the value of \$3,000 and the car is returned to Lennox Motor. This raffle has a guaranteed prize valued at \$3000. This prize will only be purchased by the raffle organiser in the event that the car prize is not won.

Should the winner not be present at the draw, we will attempt to contact them by phone to state the number of the envelope they would like to choose. Should the winner not answer the phone we will endeavour to contact them for a period of 1 month.

If the winner successfully draws the car prize, a second ticket will be drawn in order to give away the \$3000 consolation prize.
