

## HOW TO CREATE YOUR RAFFLE QR CODE

You can create a QR Code at any time.

**Note** -the code wont link through to your page until it is Live.

1. The QR Code creator button is found in the Resources TAB or visit <https://www.qrcode-monkey.com/>
2. Copy and paste your page link (visible in the browser bar from the Preview Raffle/My Raffle TAB) into the creator where highlighted in this email attachment.
3. Press 'Create QR Code'
4. Press 'Download PNG' and save to your desktop
5. Add the QR Code to all printed promo material
